### Compendium of the Catechism of the Catholic Church. Final Compendiums

**596. What does “Lead us not into temptation” mean?** We ask God our Father not to leave us alone and in the power of temptation. We ask the Holy Spirit to help us know how to discern, on the one hand, between a *trial* that makes us grow in goodness and a *temptation* that leads to sin and death and, on the other hand, between *being tempted* and *consenting* to temptation. This petition unites us to Jesus who overcame temptation by his prayer. It requests the grace of vigilance and of final perseverance.

**597. Why do we conclude by asking “But deliver us from evil”?** “Evil” indicates the person of Satan who opposes God and is “the deceiver of the whole world” (*Revelation* 12:9). Victory over the devil has already been won by Christ. We pray, however, that the human family be freed from Satan and his works. We also ask for the precious gift of peace and the grace of perseverance as we wait for the coming of Christ who will free us definitively from the Evil One.

**598. What is the meaning of the final Amen?** *“At the end of the prayer, you say ‘Amen’ and thus you ratify by this word that means ‘so be it’ all that is contained in this prayer that God has taught us.” (Saint Cyril of Jerusalem)*

**Thanksgiving Prayer**

This Thanksgiving let those of us who have much and those who have little gather at the welcoming table of the Lord. At this blessed feast, may rich and poor alike remember that we are called to serve on another and to walk together in God's gracious world. With thankful hearts we praise our God who like a loving parent denies us no good thing.

Today and every day, it pleases God for us to sit as brothers and sisters as we share the bounty of the earth and the grace God has placed in each blessed soul. For this we all give thanks and praise to our loving and gracious God.

### **Good News**

Mrs. Rose Bennett wishes to share the Good News with our community that she has been cured of cancer for the 5<sup>th</sup> time. Rose recently received the news from her specialists that no traces of cancer can be found in her body. The doctors have no explanation for its sudden disappearance. Many people pray for *one* such miracle in their lives; Rose, confessing her own unworthiness, has been touched by God *five* times. Praised be Jesus Christ, now and forever! Amen!
