

## OLH Academic Policy

All Student Athletes will maintain a 2.0 (C) Grade Point Average.

Grades will be evaluated after the first four weeks of each quarter.

### Abstract:

**The Grade Policy has three tiers.**

**Green** – Student Athlete holds a +2.0 GPA, grades evaluated every 4 weeks.

**Yellow** (Probation) – Student Athlete holds a GPA below 2.0 but shows effort that *earns* teacher's approval to participate in sports; grades are evaluated weekly

**Red** (Academic Suspension) – Student Athlete holds a GPA below 2.0 and shows little effort of improving grades, student athlete may not participate in games or practices; grades are evaluated weekly

---

Grades will be evaluated after the first four weeks of each quarter.

### After the first evaluation.

- If GPA is C Average or higher, Student Athlete's grades will be reevaluated again in 4 weeks
- If GPA is below C average, the Student Athlete will be put on a 5 school day probationary period
  - Student Athletes on probation are allowed to participate in games and practices
  - Student Athletes who miss practice or games while on probation will not be penalized

**After 5 school days**, the GPA will be recalculated for Student Athletes who are on probation

- (Green) If C average is reached the Student Athlete is no longer on probation
- (Yellow) If C average is not reached, but the teacher recognizes the Student Athlete is showing significant improvement with his / her below averages classes the Student Athlete will remain on probation.

- (Red) If C average is not reached, and the Student Athlete shows no sign of improvement within the classes below C average, the Student Athlete will be put on Academic Suspension from all games and practices.

**After the 5 school days**, the GPA will be recalculated for:

For Student Athletes who are on probation (Yellow)

- (Yellow) If C average is reached the Student Athlete remains on Academic Probation.
- (Yellow) If C average is not reached, but the teacher recognizes the Student Athlete is showing significant improvement with his / her below averages classes the Student Athlete will remain on probation.
- (Red) If C average is not reached, and the Student Athlete shows no sign of improvement within the classes below C average, the Student Athlete will put on Academic Suspension from all games and practices.

For Student Athletes who are on Academic Suspension (Red)

- (Yellow) If C average is reached the Student Athlete is no longer suspended but is on probation
- (Yellow) If C average is not reached, but the teacher recognizes the Student Athlete is showing significant improvement with his / her below average classes the Student Athlete will no longer be suspended but will be on probation.
- (Red) If C average is not reached, and the Student Athlete shows no sign of improvement with in the classes below C average, the Student Athlete will remain on Academic Suspension from all games and practices.

**Grades will be posted on Friday; any disciplinary action will begin the next Monday.**

**Grades will be reset at the end of each quarter.**

Student Athletes who do not complete a sport due to Academic Suspension will not be awarded a letter or any other team awards.
